To Advertisers.—The VERMONT DAILY TRANSCRIPT has the largest circulation in St. Albans and in Franklin County, of any daily paper, and is on that account, if no other, the best medium for advertising.

Local Items.

Interesting matter, original or selected, may always be found on the first page.

OUR DAILY.—Those wishing to secure copies of our daily paper can do so at Merrifield's and Baker's bookstores, as well as of carriers, and at the office. Copies of our weekly paper may also be had at these places.

THE RESULT.—Ever since the street sprinkler was sold to the Welden, the dust has been blown about our streets. All the sprinkler's restraining influence, exerted so successfully through the summer, is destroyed. The sale must be considered a public misfortune, and if the dust keeps circulating, there are few eyes that will not water at the loss.

L. O. G. T.—The following officers of Richmond Lodge No. 8, L. O. G. T., elected on the 8th inst., by B. F. Livingston, Lodge Deputy: M. W. Rounds, W. C. T.; Miss Belle Corlies, W. V. T.; E. H. Powell, W. S.; David M. Fitzgibbon, W. M.; Miss Emily A. Powell, W. D. M.; W. W. Kinsley, W. O. G.; Mrs. M. W. Rounds, W. L. G.; Silas P. Carpenter, W. C.; Harriet McKenney, W. R. H. S.; Mrs. Ruby Corlies, W. L. H. S.; H. H. Rounds, W. A. S.; J. H. Hamilton, P. W. C. T.

ANONYMOUS LETTERS.—We are in receipt of numerous anonymous letters which the writers request us to publish in the Daily Transcript. Many of these letters we should not publish in any event, because of their gross personalities; but what we wish to say is—and we have often said it before—that persons sending us communications should in all cases give us their names, not necessary for publication, but as a guarantee of their good faith. Correspondents, we hope, will bear this in mind; for if they do not they may rest assured that their manuscripts will be thrown into the waste basket.

PLATTSBURG RAILROAD.—Track laying on the Plattsburg and Whitehall Railroad commenced at Plattsburg on Monday last, and is progressing rapidly.

SCALDED.—William Maloney, Engineer and Abel Chappel, Fireman on the ferry boat "River Queen," were severely scalded by the accidental escape of steam from the supply pipe, this morning. There is a plug cut-off in the supply pipe which is only used on extraordinary occasions, and it seems that there had been a leakage of steam at this point. On Saturday, the Engineer in attempting to tighten the plug broke the nut upon the opposite side. Mr. Foss, the Master Mechanic of the Vermont Central Railroad, was at the vessel yesterday and knew of the weakness and told the Engineer that it was decidedly unsafe and must be repaired, but no repairs were made.

Steam was already up and the vessel was about ready to leave her moorings when the engineer and his fireman went to inspect the cut-off, and in tinkering with it, the cut-off, which is about three inches in diameter, blew out, and the hold of the vessel immediately filled with steam.

Maloney soon made his escape past the boiler and upon deck, but Chappel went backward to the stern of the vessel and was below deck some considerable time.

The sufferers are both at St. Albans Bay, and are well cared for by Doctor Clark. Maloney is from Burlington, and strong hopes are entertained of his recovery. Chappel resides at Plattsburgh, and his case his considered more critical. No blame attaches to Captain Corbin, who knew nothing of the condition of the valve until the accident. At 3 o'clock this afternoon the "River Queen" had loaded up and was about ready to leave on her trip to Plattsburgh. Mr. James Cragen, an old and experienced boat engineer, who has sailed some thirteen seasons on the upper lakes but recently employed in the railroad machine shops goes abroad as engineer. The vessel has passed a favorable government inspection, and may be considered entirely safe.

THERE have been five cases of suicide in Brattleboro during the past twenty months—one by shooting and four by hanging.

HOTEL SALE.—We learn from the Richmond Sentinel that Mr. George Fassett has sold his hotel at Enosburgh Falls to Daniel C. Isham for \$4,000. Mr. Isham formerly kept the South Hotel at Bakersfield, and fully understands the business. We wish him abundant success.

THE GRANT CLUB of St. Johnsbury has voted to invite the ladies to attend. The Grant Club of St. Albans propose doing the same thing. The meetings of this latter club have been very enthusiastic of late.

REV. P. H. WHITE preached his 10th annual sermon at Coventry last Sabbath week. During this period 107 persons have been added to the church. Mr. White has preached about 1,000 sermons, and has officiated at 36 marriages and 77 funerals.

RUTLAND AND WOODSTOCK RAILROAD.—The one hundred thousand dollars—as necessary by the charter—has been subscribed to the stock of the Rutland and Woodstock Railroad, and the stockholders are to meet at the Bardwell House at 7:30, on Monday next, to choose a board of nine directors.

NEW COUNTY.—An application is to be made to the legislature, at the next session for the formation of a new county out of parts of Windham, Windsor, and Bennington counties.

W. T. HERRIN, of Bennington, has a Gifford Morgan mare which he bought in Maine for \$700, and for which he has declined \$5,000. She is a pacer, and is in training to bring out her best speed. It is said that \$10,000 would not buy her.

SPLendid SALE.—The Burlington Times says: "O. A. Morse of Jonesville has sold his thoroughbred trotting horse 'Harry,' to J. W. Smith of New York City for \$5,000. Mr. Morse understands the 'turf' and always keeps an excellent stud of horses."

REPUBLICAN RALLY.—The Republicans of Burlington will ratify the nominations of Grant and Colfax to-morrow evening. Hon. E. D. Culver, of New York City, will address the meeting.

CHITTENDEN COUNTY.—The Democrats of this County have put the following ticket in nomination:

Senators—S. P. Stuart, South Burlington; S. B. Bliss, Jericho; S. M. St. John, Milton; Side Judges—S. H. Bliss, Essex; N. H. Prouty, Jericho; Judge of Probate—Joseph Whipple, Jonesville; States Attorney—J. J. Monahan, Burlington; Sheriff—R. B. Spaulding, Bolton; High Bailiff—R. C. Rowe, Burlington.

DEMOCRATIC NOMINATIONS.—At the Addison County Democratic Convention on Wednesday of last week, the following nominations were made: Senators—Ira D. Fletcher, of Bridport, John A. Beers, of Monkton; Judges—Charles J. Soper of Middlebury, Guy Gage, of Addison; State's Attorney—E. R. Wright, of Middlebury; Sheriff—Silas L. Sprague, of Weybridge; High Bailiff—R. T. Howard, of Salisbury; Judges of Probate—Roswell Atwood, of Monkton, Addison District, Loyal L. Wright, of Cornwall, New Haven District.

PERSONAL.—Wm. H. Cottrell, formerly of Montpelier, has been appointed General Superintendent of the United States Express Company of Wells Fargo and Co., Stage Line in Colorado, and will make his headquarters at Denver.

Brig.-Gen. B. S. Roberts, U. S. A., and family are spending the summer at Castleton.

Anson A. Nicholson, Esq., of Rutland, has been appointed a United States Commissioner for the District of Vermont. At the recent commencement of Madison College, the honorary degree of

Doctor of Divinity was conferred upon Rev. James Freeman, Baptist Clergyman of Cavendish.

W. F. Burroughs, the young tragedian from New York, is stopping for awhile in Montpelier.

L. P. Norton has presented to the Episcopal Church of Bennington a beautiful urn which is a perfect model of fine work.

CURIOUS SWINDLING DOGGE IN CANADA.—A bold and decidedly original swindling dogge has just developed itself in the rural districts west of here, and been successful in deluding several farmers, as far as heard from, out of considerable sums of money. Two sharpers have lately started out, pretending to be engineers engaged in the survey of a new railway line. These scientific gentlemen were first heard of in the township of West Flamboro, and were pushing their enterprise vigorously. Their mode was to appear suddenly in the vicinity of a farmer's residence and commence their engineering operations with as much uproar as convenient, one of the rescues carrying a guide-pole, and the other some hundred yards off, with bogus apparatus, pretending to strike the line. The party whose premises were thus invaded without leave or explanation, made bold to inquire the objects of the movement, and was informed that the right of way was all secured, and that his dwelling would have to be removed just twenty feet one side, and that very shortly, to clear the line of the new railway. This startling piece of intelligence led to some argument, resulting in the accommodating engineers proposing to run the line a few yards one side, by going back a mile or so to make the deviation, provided the farmer would consent to pay a small consideration for the trouble and delay, about \$25 being the demand. The trick was successfully practiced on three parties in the township named, on Wednesday, the imaginary railway line taking some astonishing curves to "take in" the different victims.—*Hamilton (Ontario) Times.*

The St. Louis Democrat says that about fourteen years ago, at a sale of city common lots, Gen. F. P. Blair purchased sixteen lots near Graves Park, in the southwestern corner of that city. He paid a small sum on the purchase, and the city took a deed of trust to secure the deferred payments, the General giving four notes of \$200 each. The notes having become long since due, and remaining unpaid, the Comptroller last Wednesday had the property sold at auction, and bidders being scarce the city bought the whole sixteen lots at \$4 per foot. Gen. Blair formerly owned considerable real estate there, but at present has very little. His brother Montgomery Blair, has a great deal of valuable property in that city.
